Dear Gold, Khourey and Turak:

I want to thank you for your support of the YWCA CASA program through your generous donation to help with the costs of our fundraiser. The money raised from the sale of tickets as well as from the gift basket raffles will help tremendously to recruit and train additional volunteers to continue to represent the best interests of abused and neglected children in Marshall and Ohio County.

I hope to see you at our fundraiser on November 22, 2008 with you by our side we hope to raise awareness between Marshall and Ohio County residents, lawyers, judges, social workers and professionals working in abuse and neglect.

Child abuse and neglect unfortunately remains an insidious epidemic here in our area. Hopefully awareness campaigns such as this one will help in the fight to allow every child to grow up in a safe and loving environment.

Sincerely,
