Dear Friends,

Thank you for your donation of \$100.00 to the Benefit Filipino Dinner for SS. James/John School in Benwood. Because of the generosity of firms like yours and other kind contributors in our area, many children will reap the harvest of your caring and sharing.

The dinner was a tremendous success and we look forward to many years of a growing tradition with the Filipino/American Association of the Tri-State Inc.

Than you and God bless all,
